GEORGE WASHINGTON'S SURPRISE ATTACK: A NEW LOOK AT THE BATTLE THAT DECIDED THE FATE OF AMERICA (HARDBACK)

Skyhorse Publishing, United States, 2014. Hardback. Condition: New. Language: English. Brand new Book. Extensively researched and superbly argued in Tucker's compelling narrative, this in-depth examination of George Washington's 'military miracle' at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory." Jerry D. Morelock, PhD, editor in chief at Armchair GeneralLike many historical events, the American Revolution is sometimes overlooked, ignored, or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes. Here historian Phillip Thomas Tucker provides an in-depth look at the events of the Battle of Trenton, weeding out fiction and legend and presenting new insights and analysis. Stories from many forgotten individuals of the war, including officers and soldiers from both sides, bring to life the Continental Army's desperate circumstances and shocking victory. Myths that Tucker debunks include the Hessians' slovenly drunkenness, Washington acting alone in creating the attack strategy, and Rall's incompetence as a leader largely contributing to his troops' defeat.By exploring the forgotten aspects of one of America's most famous battles, revealing Trenton's story proves to be even more fascinating. In the end, America's founding was nothing short of miraculous, and no chapter of America's story was more miraculous than Washington's improbable success at the battle of Trenton, where America's fate was decided to almost everyone's amazement on a dark, snowy morning.Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to...
